

Insurance Verification for Treatment at Scott Acupuncture Clinic

Please fill out the verification form below prior to making an appointment or call us with your insurance information. **We will get back to you within 1-2 business days with your coverage information** (i.e. number of sessions that will be covered, co-pay and deductible amounts, etc.) If you are a **Veteran** we will need you to fax/email us your VA/Optum/Community Care (CCN) Authorization as well. If you have a **Worker's Comp and Car Accident** case, please include your adjuster's name/phone and your claim number. We are in-network with Blue Shield PPO (Federal and Medicare Supplemental plans only) and Optum/Veteran's Choice but an out-of-network provider for all other plans. Please note that Blue Cross Blue Shield HMO/PPO of Florida will not cover our services. If you do not have insurance coverage for our treatments, **Health Savings Accounts and Flexible Spending Accounts (HSA/FSA)** can be used instead to pay for our sessions (do not require verification, as acupuncture is fully approved.)
